## Cable News

### CHANDLER WANTS NEW CANDIDATE

(Associated Press Cable.)

CONCORD, N. H., Feb. 19.—Ex-Senator William Eaton Chandler, former Secretary of the Navy, made a statement as a Republican party leader today urging that both President Taft and Colonel Roosevelt retire as candidates for President in the coming campaign, in the interest of harmony in the Republican party.

Chandler has been a Republican leader during all the life of the party, having been a member of the House in 1882 and having held a number of high offices since then, and his suggestion that Taft and Roosevelt agree to retire, coming from a "regular" gave a new turn to the discussion of Republican possibilities.

Gives Party a Warning.  
The Senator expressed the opinion that the fight within the Republican party has now gone so far that defeat of the party is certain, unless the contest is settled by the withdrawal of the two most discussed candidates for the Presidency. He said that Taft and Roosevelt were now regarded as open rivals for the nomination, and that if they fought the issue to a finish, Democratic victory was certain next November. He proposed the retirement of both, he said, "in the interests of harmony."

Chandler didn't say what Republican he would like to see nominated.

KNOX WILL GIVE

COLOMBIA "GO-BY."

WASHINGTON, D. C., Feb. 19.—Secretary of State Knox will not visit Colombia unless he receives a special invitation from the Colombian government asking him to do so. It was stated today in view of Knox's plans to visit South American nations, that the Colombian government was hardly ready to welcome the American Secretary of State. Relations between the two governments are strained on account of the action of the Roosevelt administration in acquiring the Panama Canal strip. Knox has charged the plan for the canal to the extent of cutting out Colombia unless the government of that country gives him a special invitation to visit there.

TAFT'S BROTHER IN

MAJOR RAY CASE.

WASHINGTON, D. C., Feb. 19.—Charles P. Taft, half-brother of the President, and owner and editor of the Cincinnati Times-Star, is to be subpoenaed before the House committee which is investigating the case of Paymaster Beecher Ray, U. S. A., who is charged with undue political activity. Ray is being investigated by Congress under charges of taking improper part in partisan politics, as an Army officer.

Major B. B. Ray, who was stationed in Honolulu as paymaster for about a year, was ordered to the mainland after he had applied for a change on account of his wife's illness. He went to San Francisco and was on duty there, and then to Chicago.

HEARST IS FOR CHAMP CLARK.

SAN FRANCISCO, Cal., Feb. 19.—W. R. Hearst has come out with a statement favoring Champ Clark, Speaker of the House, as Democratic candidate for President. Hearst says that Clark is the logical candidate, and his statement is taken to mean that in many communities all over the country the Hearst papers will back Champ.

TROUBLE COMES SOON

IN NEW REPUBLIC.  
PEKING, China, Feb. 19.—The Cabinet is alarmed at reports of uprisings in Mukden. Reports have been received indicating a danger of serious revolts in that city. Notices the Powers.

Yuan Shih Kai has reported a formal notification to the Powers of his election as President of China.

MORAN THE WINNER.  
NEW YORK, N. Y., Feb. 19.—Moran tonight outlasted Joe Bedell, and was declared the winner in the tenth round.

MAPLE INDICTMENT DISMISSED.  
LOS ANGELES, Cal., Feb. 19.—The indictment against Maple has been dismissed for lack of evidence.

With 3,050,000 feet of lumber, the Norwegian steamship Hornelen, Captain Nilsen, sailed from Portland, Ore., bound for Wellington, New Zealand and Sydney, Australia. It is one of the largest cargoes the steamer ever handled. To make room for as much of the product as possible, the craft discharged 150 tons of coal from her bunkers. Her time charter to that firm will expire after the steamer reaches her destination. There is a strong probability that she will return to the Pacific Coast.

Five cents buys eighty pages of industrial information with the regular issue of the Evening Bulletin on Floral Parade Day.

## DREADED ATAXIA

What Active Treatment With Dr. Williams' Pink Pills Accomplished in a Recent Case.

Mr. Francis M. Poole, a harness maker, of Garvin, Lyon Co., Minn., says: "My illness started in 1902, with sharp pains all through my limbs. At first I thought it was rheumatism but the pains kept getting more and more severe and I grew steadily worse. Later a numbness came over my feet. It gradually extended up my legs to my spine and waist. By this time I had lost all control of my legs. Next my bladder and bowels were affected and I lost all control of them. At this stage of the disease I was perfectly helpless and from November, 1905, to April, 1906, I was confined to the bed. My memory was so affected that I thought I would lose my mind. I looked just like a dead person. My lips and finger nails were blue. I suffered with terrible sharp, shooting pains and could get relief only from the use of morphine."

"I was treated by five St. Paul doctors. All of them pronounced my case locomotor ataxia. One said I could not live a year and another told my wife all he could do for me was to give medicine to relieve the pain. I was discouraged and, when my brother-in-law urged me to try Dr. Williams' Pink Pills for Pale People, I did so willingly for he had read of their curing a case similar to mine. I started to take the pills in March, 1906, while I was still confined to bed. I took several boxes when I felt a slight change for the better and had a healthier look. I was finally able to go to the country but kept on with the treatment. The bluish color left my lips and my eyes became brighter. I took the pills a long time and the next spring in May I could walk around. In June I went to work although still weak. I kept on gaining and am now working without the return of a symptom of my former trouble and without losing a day's work. Dr. Williams' Pink Pills for Pale People absolutely cured me and I want all fellow sufferers to know of my wonderful recovery."

Those who are interested in the treatment which cured this case should have our booklet, "Diseases of the Nervous System," which will be sent to every nervous sufferer upon request. Dr. Williams' Pink Pills are sold by all druggists, or sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50 by the Dr. Williams Medicine Co., Schenectady, N. Y.
